

WELD COUNTY 4-H EXPANSION PROJECT GOALS

- Increase 4-H youth enrollment by 10 percent, and the number of 4-H volunteers by five percent, per year for the next five years.
- Provide 4-H experiences (learn by doing) to a broader spectrum of Weld County's youth population.
- Teach youth how their food is grown and processed.
- Foster leadership skills in youth.

ACTION PLAN

- By 2014 establish a \$2 million endowment fund and hire additional 4-H professional staff.
- Develop at Farm to Table Food education program for youth.
- Develop a 4-H agricultural leadership program in collaboration with industry partners.
